25.8 To discuss the **legacy of the late AWJ Eyre.**

Cllr Headington reported that following the death of local resident Mr AWJ Eyre, on 20th June 1926, the Parish Council received a bequest as a result of the following clause in his will:

"(9) I give to the Parish Council of Great Longstone aforesaid the sum of one hundred pounds (free of duty) Upon trust to invest the same and apply the income thereof in the upkeep of the Longstone War Memorial and as necessary the painting of the railings around the same the mowing and tidying at least twice a year of the Village Greens of Longstone aforesaid and repairing the old village Cross and I direct that so long as an Ex-soldier who served in the Great War and is a resident in the village of Great Longstone is available he shall be engaged to carry and be paid for carrying out the work mentioned in this clause"

We are unsure how the money was managed during the 1930s but we do know that £102.88 was used to purchase a 3 ½% War Stock bond in 1940. The council was paid around £3.55 interest a year until 2015 when

the bond was redeemed by HM Treasury and the council received back its original investment of £102.88 in early 2016.

When this money was left to the council, almost £100 years ago, the interest represented a significant sum of money that could be put to good use. This is no longer the case.

It was proposed that the Council now close down this Trust and convert the remaining funds (£102.88) from “Capital” into “Income” funds that can be used for the purpose of maintaining the Village War Memorial and the village greens.

Advice has been sought from NALC and their National Accounts and Audit Adviser has recommended that this is an acceptable route to take.

Proposed by Cllr Headington and seconded by Cllr Long.

To update on **rents** from Builders yard, School, JFC and fields. (Tennis paid ay January meeting), (GLCC paid until 2029). Clerk reported all rents invoiced for are received apart from School, have contacted School. The rent for the football club was resolved to remain the same, Clerk to invoice.
